

Admissions Policy

Mission

Our mission is to provide a caring, safe and stimulating environment in which all children and families are welcomed, valued and feel able to contribute. We promote each child's learning and social development and share achievements with their families so that they can be proud of their child and have high expectations of them.

Procedure

Applications for a place should be made directly to Chatham Nursery School 0-5 provision. In all situations the School's admission procedures follow the same route.

Completed applications need to be submitted to the administration officer at Chatham Nursery School, please note, a completed application form does not guarantee your child a place.
