☀️ A YEAR OF GROWTH AND ACHIEVEMENT AT OUR NURSERY SCHOOL ☀️

As we reflect on an incredible year, we're proud to share the many milestones we've reached together as a nursery family.

✅ Inclusion & Recognition

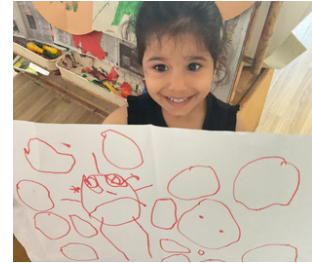

We were thrilled to be recognised as a **Centre of Excellence** through the **Inclusion Quality Mark** as well as being awarded **School of Sanctuary** status in June 2025, recognising our commitment to creating a welcoming and inclusive environment for all.

+ Maths Mastery Success

In January 2024, we introduced the White Rose Maths Mastery scheme, with two staff members appointed as Maths Champions to lead its implementation. We are delighted to share that this initiative has had a remarkable impact - our children completed the year with the **highest maths outcomes** we've ever recorded!

🌲 Curriculum Enrichment

We expanded forest school sessions, increased local visits, and launched intergenerational partnerships with Woolton Acre Retirement Home and St Hugh's reading buddy scheme.

👪 Parent Engagement

We launched the Tapestry online learning journal and introduced termly stay and play sessions and parent workshops to strengthen home-school connections. These were very well attended with overwhelmingly positive feedback from families.

🌍 Community & Celebration

We hosted our first Chatham Community Week - celebrating the diversity of our nursery community and raised £200 for Asylum Link Merseyside through an ice cream fundraiser, reinforcing our values of compassion and community.

👩‍🏫 High quality practice

We proudly showcased our excellent phonics practice by taking part in the production of a training video and delivering professional development sessions for other settings. We also welcomed visits from other schools, sharing our expertise and demonstrating the high-quality practice taking place across our nursery.

THANK YOU 🏆
CHATHAM NURSERY
SCHOOL
CLASSES OF 2024-2025

Nursery News

To our amazing children, families, and hardworking staff: thank you for filling this year with laughter, learning, and love! From muddy forest school fun to maths magic and community joy, it's been a brilliant adventure...

We wish the best of luck to our nursery leavers, and for those returning in September - here's to more exciting moments ahead!
