## Early Years Pupil Premium Strategy 2025-2026

### Rationale

The Early Years Pupil Premium (EYPP) is extra funding given to early years providers to help improve the education of children who are eligible for free childcare. The EYPP can be used to improve outcomes for children by providing additional resources, experiences, and support. For the 2024-25 financial year, the EYPP is 68p per hour, up to 570 hours, which is a maximum of £388 per year per pupil. Children from low income families who are accessing the Funded Early Education Entitlement (FEEE) are eligible.
